

Maidens Harbour Gala

Maidens Harbour Trust Management Committee would like to thank everyone who helped us raise a magnificent **£3,024.00** at our harbour gala on the 24th of August.

Our special thanks to all those that worked on the day setting up and manning stalls, and also to all those individuals and companies (listed below) who gifted prizes for our Tombola and Raffle.

Our appreciation must go out to Girvan Lifeboat for rescuing our mermaid Ashley Traynor from the rocks and returning her safely to Maidens and also to Carrick Rowing Club for their participation.

A final thankyou is also deserved to all those boat owners who decorated their boats and made it such a colourful day.
